The Town reserves the right to correct, after bidder verification, any mistake in a bid that is a clerical error, such as a price extension, decimal point error or FOB terms. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town reserves the rights to accept all or any part of a bid, reject all bids, and waive any informalities or non-material deficiencies in a bid. The Town also reserves the right, if applicable, to award the purchase of individual items under this ITB to any combination of separate bids or bidders.

The Town will accept the bid that, all things considered, the Town determines is in its best interests. Although price will be an important factor in most ITBs, it will not be the only basis for award. Due consideration may also be given to a bidder's experience, references, service, ability to respond promptly to requests, past performance, and other criteria relevant to the Town's interests, including compliance with the procedural requirements stated in this ITB.

The Town will not award the bid to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, charge, contract, security or any other obligation. If the lowest bidder meets all specifications, is responsive, and, if applicable, qualified, but the bid is not acceptable to the Town Manager or, if applicable, the Public Building Commission or the Board of Education, the matter must be referred to the Town Council for its decision on whether to reject all bids, to accept a higher bid, or to take such other action as may be in the Town's best interests.

The Town will select the bid that it deems to be in the Town's best interest and issue a Preliminary Notice of Award to the successful bidder. The award may be subject to further discussions with the bidder.

The making of a preliminary award to a bidder does not provide the bidder with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A bidder has rights, and the Town has obligations, only if and when a Contract is fully executed by the Town and the bidder.

If the bidder does not execute the Contract within five (5) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any bid security provided by the bidder and may enter into discussions with another bidder.

The Key Dates for the Preliminary Notice of Award and Contract Execution dates noted in Section 5 are anticipated, not certain, dates.

23. AFFIRMATIVE ACTION AND EQUAL OPPORTUNITY

Stat. § 12-430(7)(A) as amended, it shall comply fully with the provisions of § 12-430(7) and, prior to execution of the Contract, shall furnish the Town with a copy of the requisite certificate of compliance set forth in § 12-430(7)(E).

The successful bidder agrees to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the "Town Indemnified Parties"), from any and all taxes, interest and penalties that the State of Connecticut asserts are due with respect to the successful bidder's activities under the Contract.

The successful bidder shall also be required to pay any and all attorney's fees incurred by the Town Indemnified Parties in enforcing any of the successful bidder's obligations under this section, whether or not a lawsuit or other proceeding is commenced, which obligations shall survive the termination or expiration of the Contract.

Each bidder confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will be assigned under the Contract and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will be assigned under the Contract.

The successful bidder shall defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the "Town Indemnified Parties"), against any and all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including fines, penalties, punitive damages, attorney's fees and costs, brought or assessed against, or incurred by, the Town Indemnified Parties related to or arising from the obligations under IRCA imposed upon the successful bidder or its subcontractor.

The successful bidder's obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful bidder's insurance. Nothing in this section shall obligate the successful bidder to indemnify the Town Indemnified Parties against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of the Town Indemnified Parties.]

In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful bidder, or anyone directly or indirectly employed or contracted with by the successful bidder, or anyone for whose acts or omissions the successful bidder is or may be liable, the successful bidder's obligations under this section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful bidder under workers' compensation acts, disability benefit acts, or other employee benefits acts.

If it chooses, the successful bidder may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town's permission to the successful bidder to do so is not a statement about the quality of the successful bidder's work or the Town's endorsement of the successful bidder.

c. W-9 FORM

The successful bidder must provide the Town with a completed W-9 form before Contract execution.

d. PAYMENTS

Bidders are encouraged to offer discounts for early payment. All other payments are to be made 30 days after the appropriate Town employee receives and approves the invoice, unless otherwise specified in the Specifications or Contract.

If it chooses, the Successful Proposer may list the Town in a Statement of References or similar document required as part of its response to a public procurement. CONTRACT
(Draft in the form attached)

CONTRACT
[PROPOSAL TITLE]
[ITB number]

This Contract is made as of the _____ day of _____, 20____ (the "Effective Date"), by and between the Town of Cheshire, 84 South Main Street, Cheshire, Connecticut, a municipal corporation organized and existing under the laws of the State of Connecticut (the "Town"), and **[name and address of successful bidder]** (the "Contracting Party").

RECITALS:

WHEREAS, the Town has issued an Invitation to Bid for **[bid title]** (the "ITB"), a copy of which, along with any addenda, is attached and expressly incorporated herein as **Exhibit A**;

WHEREAS, the Contracting Party submitted a bid to the Town of Cheshire dated _____ (the "Bid"), a copy of which is attached and expressly incorporated herein as **Exhibit B**;

WHEREAS, the Town has selected the Contracting Party to perform the Work (as defined in Section 1 below); and

WHEREAS, the Town and the Contracting Party desire to enter into a formal contract for the performance of the Work.

NOW THEREFORE, in consideration of the recitals set forth above and the parties' mutual promises and obligations contained below, the parties agree as follows:

1. **Work** - The Contracting Party agrees to perform the Work described more fully in the attached **Exhibits A and B** (collectively, the "Work"). The Contracting Party also agrees to comply with all of the terms and conditions set forth herein and, in the ITB, including but not only all of the terms set forth in Section 27 (the "Contract Terms") of the Standard Instructions to Bidders.
2. **Term** - **[placeholder]**
3. **Contract Includes Exhibits; Order of Construction** - The Contract includes the ITB (**Exhibit A**) and the Bid (**Exhibit B**), which are **both** made a part hereof. In the event of a conflict or inconsistency between or among this document, the ITB, and the Bid, this document shall have the highest priority, the ITB the second priority, and the Bid the third priority.
4. **Price and Payment** - **[placeholder]**
5. **Right to Terminate** - If the Contracting Party fails to comply with any of the terms, provisions or conditions of the Contract, including the exhibits, the Town shall have the

right, in addition to all other available remedies, to declare the Contract in default and, therefore, to terminate it and to resubmit the subject matter of the Contract to further public procurement as is permitted by the Town Charter.

In that event, the Contracting Party shall pay the Town, as liquidated damages, the amount of any excess of the price of the new contract over the Contract price provided for herein, plus any legal or other costs or expenses incurred by the Town in terminating this Contract and securing a new contracting party.

In addition, the Town also reserves for itself the right to terminate the contract for the Town's convenience, without cause. In the event of a termination for convenience by the Town, the Town's sole liability and obligation to the Contracting Party shall be to pay the Contracting Party for the work and materials properly provided as of the date of the termination. In no event shall the Town be liable for indirect, consequential, incidental, punitive, special or other damages

6. **No Waiver or Estoppel** - Either party's failure to insist upon the strict performance by the other of any of the terms, provisions and conditions of the Contract shall not be a waiver or create an estoppel. Notwithstanding any such failure, each party shall have the right thereafter to insist upon the other party's strict performance, and neither party shall be relieved of such obligation because of the other party's failure to comply with or otherwise to enforce or to seek to enforce any of the terms, provisions and conditions hereof.
7. **Notice** - Any notices provided for hereunder shall be given to the parties in writing (which may be hardcopy, facsimile, or e-mail) at their respective addresses set forth below:

If to the Town:

Vincent J. Masciana
Chief Project Officer
Cheshire Public Schools
29 Main Street
Cheshire, CT 06410 vmasciana@cheshire.k12.ct.us

If to the Contracting Party:

[name, address, fax and e-mail]

8. **Execution** - This Contract may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by each of the parties hereto and delivered (including delivery by facsimile) to each of the parties.
9. **Warranty** - Contracting Party warrants that all products sold and delivered to Town under the Contract shall conform strictly to the technical specifications in the ITB and Bid.
10. **Indemnification and Hold Harmless** - Contracting Party (a) will jointly and severally defend, indemnify and hold harmless Town, WPCA and their respective officers, officials, employees, boards, commissions, agents and representatives (collectively the "Town

Indemnities") from and against all claims, losses, liabilities, damages, costs and expenses (including without limitation reasonable fees and expenses of attorneys incurred in investigation or defense of any action or proceeding) (collectively "Claims") arising out of or related to: (i) any breach of any covenant or agreement of Contracting Party contained in this Agreement, (ii) any negligence, gross negligence, or willful or intentional misconduct by Contracting Party or any of its personnel; and (iii) any breach of any representation or warranty of Contracting Party contained in this Agreement; (b) Promptly after receipt by Town of notice of any third-party Action in respect of which indemnity may be sought against Contracting Party, Town will notify Contracting Party in writing of the Town's Assertion, but the failure to so notify Contracting Party will not relieve Contracting Party of any liability it may have to Town, except to the extent Contracting Party has suffered actual prejudice thereby. Contracting Party will be entitled to participate in and, to the extent Contracting Party elects by written notice to Town within thirty (30) days after receipt by Contracting Party of notice of such Town's Assertion, to assume the defense of such Town's Assertion, at Contracting Party's own expense, with counsel chosen by them which will be reasonably satisfactory to Town.

With respect to any such Town's Assertion, Town will promptly provide Contracting Party with: (i) notice and copies of any documents served upon Town; and (ii) all reasonable cooperation which Contracting Party deems necessary to defend such Town's Assertion, including, without limitation, providing Contracting Party and its outside attorneys access to any potentially relevant documents, information, or individuals within the control of Town, other than any privileged documents.

Notwithstanding that Contracting Party may have elected by written notice to assume the defense of any Town's Assertion, Town will have the right to participate in the investigation and defense thereof, with separate counsel chosen by Town, but in such event the fees and expenses of Town (above those which would otherwise have been incurred) and such separate counsel will be paid by Town.

Contracting Party will not without the written consent of Town with respect to any Town Assertion: (A) settle or compromise any Action or consent to the entry of any judgment which does not include as an unconditional term thereof the delivery by the claimant or plaintiff to Town of a duly executed written release of Town from all liability in respect of such Action, which release will be reasonably satisfactory in form and substance to counsel for Town, or (B) settle or compromise any Action in any manner that, in the reasonable judgment of Town or its counsel, will adversely affect Town other than as a result of money damages or other money payments.

IN WITNESS THEREOF, the parties have executed this contract as of the last date signed below.
